The Premises:

Basement flat in a quiet street near Earl's Court tube. Clean and spacious for our purposes, with the shower also spotless.

The Lady:

I find Tiffany very attractive, facially she is just my type, and on this occasion she looked great in heels and a latex dress that could barely hold in her massive tits. She was the same as I remembered her at the end of 2019 in our last meeting. Looks the same as her pictures, and stands a nice 5'3" approximately. I'd compare her to the porn star April O'Neil in her later films.

The Story:

We caught up on how our COVID year or so had gone, before she insisted I get naked so we could start the fun. This was the 9th time I'd seen her in 5 years, including 4 fantastic MMFF bookings, and to be honest I've always left smiling. We started off on the sofa, where some DFK turned into a deep OWO. Tiffany got herself a pillow and then positioned herself between my legs after pulling off my trousers. She spent a good while down there giving plenty of oral attention to the cock and balls, before I said she had to put those tits in my face. She slinked up to me and did so. There was a large mirrored cupboard in her room that reflected a rather nice image.

Onto the bed and into 69. I had to tongue Tiffany's pussy and asshole (both tasted clean and scented), and she complimented me on a wonderful tongue. She then showed me how wonderful her tongue was on the old chap, before sucking on my balls again. On with the bag, and I told her to ride me cowgirl. This is a favourite position of mine with Tiffany as I can see her beautiful face, bouncing tits and my cock in and out of her pussy almost all in one go. After some of this flipped her over into doggy, before finishing with some energetic mish. I have had wilder sessions with Tiffany in our MMFFs, but for this return I wanted something more GFE and she delivered 100%.
