The Premises:

Clean tidy flat in centre of Slough.

The Lady:

Jessie is around 5ft6 but doesn't look like her pics. If they are her pics they were taken 10 years ago.

She claims on her profile to be 24 but looks late 30s or early 40s in real life.

The Story:

Poor. She advertised and promised a tantric experience which should mean intimate kissing and slow sex to delay orgasm. She refused to allow me to control the pace or complained when I tried to slow things down and was blatantly just trying to make me cum as quickly as possible.

My session last 10 mins, no offer of a massage and she just hurried me out of the flat.

Avoid.
