The Story:

Hmm, I think I've seen Tiana before, but wasn't 100% sure so didn't ask, in case I had been completely mistaken. Tiana is friendly and chatty when she entered the room. Think this was her first or second day working in MK and after small talk was over, got down to some good kissing and groping in front of the mirror.

Hands soon wandered down to her bum... Wow! Fantastic shape and really oversized compared to the rest of her body! If you love big bums, then make a beeline to Tiana!

We moved to the bed and Tiana gave me great owo, balls also being licked and sucked for good measure. It made for good viewing, but I found my eyes drifting to the mirror and seeing Tiana's fat booty stuck out as she knelt in front of me.

After another kissing session, the punt then reached the best part, doggystyle fucking with my hands all over her bum, giving a few good slaps now and then. Tiana seemed to be enjoying it, but the pleasure was all mine!

Even now, a couple of days after the punt, cannot get her beautiful, overgrown ass out of my thoughts.
