The Lady:

My first thought as Mariah walked into the room was "wow".

Beautiful face, lovely, friendly smile, slim body with bazookas that needed to be taken out of her bra as fast as possible.

The Story:

This woman was born for sex...she's a tigress.

Metaphorically, she almost snarls and growls whilst smiling as she kisses and fucks. She's the kind of girl that would scratch you with her long fingernails if you would let her.

Everything about this punt was quality. Lovely blowjob and cowgirl, followed by pounding her in missionary as she literally pulled me deeper inside with her arms, legs and deep french kisses until I exploded inside her in the condom.

We chatted afterwards about my ex-wife never really enjoying sex. She said that I should always choose Brazilian because every Brazilian girl loves sex.

Lovely girl.
