The Story:

Greeted and shown to a large upstairs room. Noticed a few of the other girls on the way. A whole lot of hotness. Angel came and joined shortly after I arrived. I like slim girls so Angel is perfection to me. She's a classic beauty, great smile and pure sexiness. Gentle kissing whilst I played with her ass cheeks. Really good OWO and then on with the cover. Really enjoyed doggie and her on top before finishing in mish. Great orgasm and massive stress relief, totally forgot everything else. We had a nice chat and then onto round 2. More OWO and Angel went on top looking like a dream. I was getting tired so finished myself off whilst she caressed my balls. Very satisfying. Kiss goodbye and on my way.
