The Lady:

I liked the look of Elise's photos and reviews from a few years ago were excellent but I have to say she doesn't really look like the photos anymore.

However, she has a filthy smile and I knew that she would suck like a vacuum cleaner.

The Story:

Elise asked what I would like and I said that I wanted a slow luxurious blow job and to cum in her mouth but for her to carry on sucking after I had cum.

She smiled and got to work.

Her BJ technique is excellent, sloppy, deep throat, spitting, sucking balls, slapping my cock on her face and lips, licking the sensitive parts of the tip - and then stopping to tease before sucking again.

We switched to 69 and I had to stop her several times to stop myself from coming. After 25 minutes of edging I asked her to get on her knees on the floor as I wanted to cum in her mouth. She grabbed a cushion to kneel on and I stood looking down on her as she literally sucked the cum out of me. I told her to suck every drop and to carry on sucking after I'd cum, which she was more than happy to do.

I left with a smile on my face knowing that I would cum again later at Ego Massage (see separate review)
