The Premises:

The place is a small flat on basement, very clean and has shower. Safe place

The Lady:

A very petite women, nice figure to my liking and has good tight body and pussy. The boobs is artificial which is something I do not like as I prefer natural ones.

The Story:

She wishes me with a good liss but she does not do DFK, after shower we started with light kissing and she doing a lap dance rubbing he bare ass against my cock. It was one of the best as I could almost feel her slight moist pussy on my dick. After the lap dance we went to bed with she giving me a long BBBJ and kicking my balls. After a long sloppy BBBJ I asked for 69. She did enjoyed the position with she stopping the BBBJ and enjoying herself. After having enough of BJ I roll up the cover, started with she ridding me and I ended after pounding her in long missionary. she did make lots of noise in missionary, she stopped me from playing with her clit saying it is very sensitive. The time was almost running out after I finish one round so she offer me a 10 min massage and I shower and came out.

There is nothing extra ordinary like I read about the olina girls like Anna or Nicky. She was lost in other though in the middle of action though we started well that us why a neutral. The agency is very professional, quick comm, would recommend but I would not come back for mimi, I will definitely try others like Anna or Nicky.
