The Lady:

Sophia is described accurately on ego's website. 30, 5"6, Size 10, 34D (Enhanced , not natural) She is a very pretty girl, however it's slightly ruined by her over done fish lips. (I'm not attracted to the filler lips look). However her face is pretty and body was really nice.

The Story:

When I was shown to the room , I showered in the en-suite shower and when getting out of the shower, Sophia entered with a cheeky smile and started undressing , which got me very excited. I laid on the bed and she started massaging my legs and working up towards my back. Really lovely technique nice and firm yet sensual. She then proceeded to perform body to body massage on me , sliding her big breasts all over my body. Fabulous! She then turned me over and continued with a fantastic massage and ending with a very happy ending indeed!! I would definitely recommend Sophia!
