The Premises:

Located in Bayswater, fairly discreet. 3 girls working in the same flat. Got me worried a bit as I heard her chatting whilst waiting in the hallway as expected her to be alone. Led to a small bedroom where the action went on. Nothing fancy or too cozy but good enough to get on with it.

The Lady:

Slightly shorter than me (I'm 5'8), face matches the photos but oh my god the body. Nothing like in the pictures. Especially the breasts - i could not have been more disappointed. She seemed like she was getting ready for bed and just decided to squeeze another guy in.

The Story:

Gabbi was polite, offered me some water, had a chat about nonsense. Even had half a glass of wine I brought. However, she had no problem talking about the terms of the arrangement (like no kissing, spanking) very casually which was a huge turn off. Was against me cumming twice (once after bj, secondly after intercourse) even though all would have been within the time I've paid. Ended up leaving in 20/30min.
