The Premises:

A modern flat in a discreet block of flats. It is about a 10 minute walk from Lewisham station.

The Lady:

A slim size 10 Chinese lady with pert B cup breasts.

The Story:

I entered into the punt completely aware that the advert pictures were not going to be of the girl I saw. With that in mind I rang the number and asked if the girl was slim. When I was waiting to be buzzed in a younger Chinese girl smiled at me and led me upstairs. She must have been the second girl available. The lady I saw was older, but she had a good figure for her age. A nice taught stomach slightly sagging boobs and a reasonable bum. Her English was passable and there were no complications.

I declined the covered oral and instead asked Alina to lightly stroke my balls. When I was suitable hard we had covered sex in doggy position. After a couple of minutes I asked for a hand job to end the session.
