The Premises:

She doesnt have a regular apartment so we ended up using a borrowed flat within the infamous dwellings at south kensington. Been a long time since I have been there but not much has changed. Flat was usual non descript fray, clean and pleasant enough but it's just a functional space.

The Lady:

Tall venezuelen lady, probably around 30. Pictures are accurate on the website but in real life she does not have the same rarified uber sexually confident glamorous air she conveys in the pictures. Unluckily for me! However pleasant and attractive with a great body but a little shy and diffident at first.

The Story:

I have a thing for the glamorous uber babes - although it comes at a big cost! Rosalyns pictures were just the sort that appealed to me although in real life she is more grounded and a seems a little shy.

I dont think she does many 'normal' incalls so the circumstances of 'show up for sex' without a lot of preamble may have unsettled her - but we soon got over it.

Anyway, i washed, she stripped, i ravished her body then we had sex on the bed in multiple positiions. It was pretty good all round and the sex was nice and intense.

Shes a nice lass and once shes comfortable is pleasant to be around but i wouldnt return simply because of the price. This was a sort of 'one off' as i had to know what she was as glamourpuss she portrays in her pictures.
