The Lady:

Physically Ruth is stunning, she looks after herself well. Her profile and website photos are all recent and reflect her accurately, she looks younger than mid-40's, she could pass for 40.

The Story:

I was going to the Lake District and wanted some company, I organised the meeting with Ruth well in advance as I didn't want to miss out, having had a couple of webcam sessions with her previously I really wanted to meet her in person. She asked for a deposit to secure the booking, given it was quite a way in advance I had no problem with this.

On the day she arrived at the agreed time, dressed as requested (she has an extensive lingerie collection), looking and smelling amazing. Paperwork sorted we spent a long time kissing as I slowly undressed her, her boobs are firm with very responsive nipples that enjoyed being kissed and fondled. Once undressed we moved to the bed for lots of oral, she sat on my face as she took me in her mouth, climaxing nicely on my tongue.

On with the condom she went on top, riding me nicely with lots of encouragement! Once done we laid in each others arms with more kissing and small talk, this eventually led to a second 69, finishing with her on her back with me on top.

All in all a brilliant way to spend a morning, Ruth is a gorgeous person inside and out, I'd happily see her again.
