The Premises:

Barbara works from a flat above a supermarket near the Baldwin pub in hall green. Nice flat, small but very modern and clean. Massage room nice and warm and absolutely spotless, proper massage table. Plenty of parking near by and accessible by train and bus. Decent area. There is a bathroom but was not offered shower, no problem, showered before I got there.

The Lady:

Barbara is a very attractive lady, pictures are her but ten years ago. Definitely a girl not a milf. Age I would say at least sixty. Size 14, big boobs nice chunky figure, height about 5ft 4 inches. Barbara is an Hungarian lady.

The Story:

Was at a loose end this afternoon so sent Barbara a text, instant reply booked in for an hour later. Barbara only offers massage and happy ending 30 mins £40. She will do a topless h/e for an extra £10. This is what I opted for so £50 all in. Shoes off when you enter flat led to massage room, exchange funds, strip off and on to table. Starts on your back and a nice relaxing Swedish massage, plenty of oil. About ten minutes in she offers an electric massage pad for your shoulders while she continues on your legs, this was a first for me and am always willing to try new things. Glad I did a bit weird at first but an enjoyable experience, pulses vary and get deeper into the muscles. Not a sensual massage a few ball swipes but overall a very decent massage, nowhere near as good a Thai massage but still enjoyable. After 25 mins asked to turnover for topless h/e. Cracking pair of boobs bit of enhancement but they look great. Nice oily handjob, touching of boobs allowed took me over the finishing line. Clean up, glass of water and on my way a very happy man. Would definitely visit again.
