The Lady:

Very bubbly and energetic, her style felt a bit rushed at first but it turned out that she does everything at full speed.

I'd describe her body type as athletic, muscles on a girl are normally a big turn off for me but Priscilla gets away with it.

The Story:

OWO was offered but went for OW, Reverse O was wonderful lots of juice & bucking. Kisses were lips only with a few deeper ones.

On to sex doggy and mish, she enjoyed - no fake moans.

There was time for a wonderful massage, this was very firm and relaxing. In fact its the best massage I've had for ages including at Ego.

I might just return for that next time.
