### The Premises:

A nice tidy place not far from the back exit of Earl's court station. The place its self is nice room with bathroom adjoining. Large bed ,and ground floor as well

### The Lady:

Darra is a tall russian girl about 5.7 to 5.9 tall. With large breasts 40c I would guess and there all natural which I do like & one reason I'd give it a punt darra is I would guess 25 to 30s yes and the pics on the web site are the same .

### The Story:

Arrived at the place right on time . I had asked for a few extras to be inc ,just to see was met by darra in a police outfit .took me to the room . Sorted out the paperwork, then was offered a shower. The towel was a bit small but ok. I also asked for poppers as well . Which where there .returned to the bed room she handcuff me and was put on the bed plenty of owo to follow she didnt rush in fact I was going to shoot my mayo at one point .she released me and off came to outfit .darra has the most wonderful boobs big & I like a Russian woman and big boobs too ,not fake ones plenty of suckling on them condom on as she cow girl me they just hung in my face I loved every second . She then dismounted and I had a real chance to do some in depth fingering I though I'd end up fisting her. By this point I just had to come ,on with the doggy pounding her she really loves a big dick. That was it I dont think I'd come so much , & dont think I could do second round .chatted for a time but she is learning english in school . But had to make do with google translate. A really nice girl & new to london I'd give her a go again but without the outfit I can get the boobs out of my mind .thank you darra ...
