### The Premises:

Usual place. It sounded busy at the time so I had to wait in the toilet for a few minutes. Nice apartment in CMK that I have visited a few times. Lots of parking

### The Lady:

Medium height brunette. Massive, natural boobs. Shaved. Mid to late twenties

### The Story:

I've seen Morgan a few times but not for over a year so we spent the first few minutes catching up and chatting about what we've been up to. Morgan was wearing beautiful lingerie as always. Red bra and tiny red g. Suspenders but no stockings. We started by stroking each other then she gave me a slow bj. I then got her to sit on my face and brought her off. Normally, this makes a lady sensitive and they jump off but she asked me to continue but more slowly and only on the tip of her clit. This brought her off again and then she sat there while she recovered and when she eventually got off me she told me her legs were like jelly. She gave me another bj and then on with the condom and she rode me cowgirl while I played with her enormous tits.

The rest of the session was very pleasant and I had a good orgasm. Morgan is a really pleasant lady and easy to get along with. We continued chatting while I got dressed.
