### The Premises:

The place was easy to locate, close to Liverpool Street Station. I didn't like being asked to cross over the road so they could clearly get a look at me before telling me which door to go to, but I suppose this is a security measure. Very sparse, but comfortable flat. Trouble was shower was up on top floor of the building. Luckily the building only had two occupants apparently.

### The Lady:

I would easily say that Kyun is not the girl in the pictures, but having said that, she could also easily be but the pictures are incredibly old. Her tattoo isn't showing on the pictures, so that's one thing. But I honestly think it's a different woman. Still quite pretty, but not who I expected. She is weightier than the girl in pictures also. Nice big natural boobs that made me want to stick around!

### The Story:

Here's the thing that very nearly made me leg it! She led me to the room, and asked me to take off my clothes after I paid her (Agreed upon extra £40 for OWO and CIM). Then standing their naked she said follow me to shower. I thought it would be in the next room, or at least on the same floor. Nope, it was on three more flights of stairs up! I had to walk up there naked. I told her I was naked and she said that there was no one else here. Towels were on the top floor too, which didn't make all that much sense. You'd think there should be one or two downstairs for modesty purposes LOL!

After that brief humiliation and inconvenience we came back down to the room. This is where I'm conflicted, because this girl gave me one of the best blow jobs I've ever had. Half way through she asked if I wanted to fuck her, and my answer was no, I just wanted more of this BJ. She was gentle and very wet, with some lovely noises. I didn't even want to fuck her massive tits, that looked awesome all pushed up against my cock. I had them both in my hands when she sucked me, and they felt lovely. I had a BJ from another Chinese girl about a year ago from AW and she was brilliant too. So, maybe it's a Chinese thing? Finished in her mouth.

Ended the session with a very talented massage with oil, had another hike to the shower before leaving. She is a sweet woman, and very friendly.
