The Story:

Have seen Leah many times & usually been positive experiences but sadly on this occasion she was late & wanted to make up the time which meant a rushed & shortened appointment! In fact she was putting make up on ready for her next appointment whilst time was left, I could see she wanted me gone even though there was almost 10 minutes left of my time, It was a double whammy as the total price paid was £60 due to the price Increase (was £50) I left feeling aggrieved as It wasn't my fault she was late!
