The Premises:

Location is very discreet down a drive way out of roads view but still close to the train station which was ideal. Once at the door I was greeted by a friendly lady working reception and after paying the entrance fee I was offered a drink and shown to my room. Both the room and the shower was clean.

The Lady:

Caroline was as Described to me on the phone. Maybe a little taller than I expected but her photos don't nearly do this lady justice and that's saying something as they to are truly something. Spanish but speaks very good English which is also very important to me. Caroline's tits are huge

The Story:

After saying hello to all the ladies I chose Caroline. She greeted me with seductive eyes and flirtatious giggles.

After a short but soothing massage Caroline didn't waste time as she had already got me excited and gave me maybe the best oral I've had! conversation flows very easily with Caroline and I'm sure this is one of the reasons she is popular. You could spend hours in her time, after some doggy and looking at that ass bent over she decided to climb on top of me and with those huge tits in my face I was a gonner from there!

She made me feel a man and wasn't in a rush to get out of the room like many girls I find do. She genuinely seemed to enjoy being in the moment and I could have easily got lost there! Overall for £60 I couldn't be happier - would of been happy to pay more for such a wonderful time

Highly recommend and I will certainly be returning soon
