### The Premises:

Dasia is in a nice and spacious flat in Earls Court. It's very easy to find and close to tube station. The facilities are fine too, and made even better by Dasia

### The Lady:

She's the girl in the pictures for sure, but she is just a little weightier than the images would suggest. It was all good for me however. Big natural boobs, big ass. She says she's 24 and I'd say that's about right. She's a nurse back in Russia, and this would certainly seem the case, since she is a very caring and naturally affectionate woman. She speaks pretty good English too.

### The Story:

Dasia was wearing a nice black dress, showing off her cleavage, with a little makeup, but nothing too heavy. She had a lovely smile for me, with rosy cheeks, and her accent is adorable. The room was dimly lit, but she had one of those galaxy projecting lights on the ceiling and the mood was really nice. She made a little joke about it being her sex apartment or something like that, she has a good humour and genuinely seems to love what she does.

When I went for a shower, I was surprised to see Dasia coming with me. She stripped naked and got in before me to make sure the water was a nice temperature. She then soaped her body and mine and rubbed herself up against me. It felt really nice, and those big tits of hers are something else. She dropped to her knees there in the shower and started to suck me off. I thought for a moment that she was going to finish me there and then, but she stopped and we got out.

After the drying of each other we fell tot he bed and began kissing very naturally and passionately. She is real GFE material. A little more OWO before on with the condom and sex in a few positions. My favourite with Dasia was spoons since she seemed so responsive in this way. We took it nice and slow and her moaning seemed to be an indication that she enjoyed it too. Even though I had plans to finish on her boobs, I came inside her because I was just too into the experience.

A lovely girl, not here for long, but back by Christmas I think she said. Give me a nurse like this any day!
