The Premises:

Letizia's flat was very nice. Her whole location was well kept.

The Lady:

Letizia is like her pictures and description. She is in her 20's and is well built. She has quite large breasts and a very nice ass.

The Story:

I asked to meet with Letizia because she offered some of the services I wanted to try...I can honestly say it was well worth it. She is very personable and speaks very well. Letizia has very good skills in the bedroom and made me feel at home and at ease...we didn't just jump to the session, we spent a bit of time getting to know each other which made the experience that much better. I will absolutely be back to see her and I highly recommend her.
