The Premises:

A small but very pleasant and spotless flat in Knightsbridge / Belgravia. Very smart and expensive area. The bathroom would be a little cramped for two but perfectly adequate for a solo shower.

The Lady:

Isabella is stunning. To describe her as curvy might suggest that she is chubby but not at all. She is a biggish lady but toned and phenomenally sexy. In her photos on the website she looks as if she is demurely trying to hide her assets in case the viewer finds her unattractively large, but she has no need to hide anything. She is perfect. The photos also make her look pale but in reality she is much darker. Classic Brazilian.

She is facially beautiful as well.

The Story:

Isabella opened the door wearing a diaphanous gown and an enchanting smile. A polite peck on the cheek was followed by a thoroughly respectable chat on the sofa with a glass of rose. The shower was turned on, towel provided and my clothes were carefully hung up. Coming out of the shower I was taken into the bedroom and invited to assist in removing the gown and underwear. The first real contact with her amazing body was brief but exciting.

Then face down on the bed. Isabella worked on my feet and legs. A mirror was helpfully placed so I could enjoy watching her. Slowly she moved further up with her fingers regularly straying into interesting areas. Then the full oily body slide with occasional heavy breaths around my ears. Turning over, she remained tantalisingly out of reach as she concentrated on lower legs for a while but of course that didn't last long. She moved up to straddle me using every part of her wonderful body to drive me crazy. The final eruption was explosive.

Then a brief but delightful cool down chat, another shower and I was on my way. Her timing was immaculate. I was completely unaware of time but I checked my watch on leaving and found that I had been with her for a few minutes longer than the hour and a half.

Isabella is a delightful and stunningly attractive woman, and a very very good tantric masseuse.
