### The Premises:

A small upstairs room in a flat on a street near Petticoat Lane. Not very discreet it is in a street with market traders.

### The Lady:

The pictures resemble her very well. She does have a surgery scar between her breasts, but you don't notice it in a darkened room.

### The Story:

This was my second attempt to see Adriana, the first time they switched girls. There was no mistake it was her this time though, her breasts were immense. They were natural too. I opted for a simple between the breasts service. It gave me the maximum opportunity to lift, suck and squeeze them. It took a while, but it was enjoyable especially as I came over them.
