The Lady:

Nicky has a lovely smile and is a bouncy tigress. Her photos look a little better than she does in person BUT she is sooo enthusiastic and seems to genuinely love sex and wanting her man to cum again and again.

The Story:

Nicky asked me what I want, and she told me that she will do anything for me. I said that I want to cum on her face and she gave me a big smile and deep French kissed me.

The next 35 minutes was a blur of her sucking my cock, taking each ball in her mouth and pulling away whilst she wanked me plus fucking her cowgirl style with her moaning, leaning back and rubbing her clit. She really seems to enjoy every moment, seeming to be super excited.

When I was close to cumming I told her to get on her knees whilst I stood up. I've not done too many facials but this was perfect. She looked right at me and didn't pull away as I shot my load over her lips, bridge of her nose and forehead. She look at me with my cum on her face before cleaning up and asking if I would like a massage.

Nicky then oiled my back and worked hard for 10 minutes, relaxing my muscles and rubbing oil into my back, bum and legs whilst lightly touching my ball bag from time to time. My old man stirred into life and she spent the next ten minutes willing the cum out of me. She was determined to make me cum again but sadly I was spent.

If you like facials you will not be disappointed.
