### The Story:

I have met Bunny 4 or 5 times and the below is why I keep coming back.

She launched straight into light snogging and gradually, I got her to remove her lingerie leaving the stockings and heels. I shallow fingered her and she worked my cock up to be solid. Then I got her to suck me in front of the mirror. "don't come in my mouth". Her blowjob is shallow to mid depth. Nice sensation and most importantly, she keeps at it. The nice sensation doesn't end just when I'm enjoying myself. I moved her into 69 and that is a great way to extend the blowjob. She has a lovely pussy to eat and she didn't flinch away at all.

The finale was a shag in CG and missionary. If I angled myself correctly, I could see some of the action in the mirror.

I didn't bother with doggy because she was snogging me throughout. In spite of the lube, I got good sensations. I finished with a nice strong come.

I got 25 minutes out of 30 which is good going and she didn't once try to rush any of the activities. Bunny is highly recommended.
