The Premises:

A flat in Chinatown, not far from Leicester Square station. It's on a busy street, but no-one seems to bother what you're doing. The building itself is not the prettiest. A guy sitting inside reading the paper didn't even lift his head to watch me enter. Up a flight of stairs, then into a lift to the correct floor. It's a bit of a journey to find her apartment actually. A few dodgy looking characters smoking weed out of a outside corridor window. Eventually found the place.

It's nice inside, good facilities, comfortable and cosy.

The Lady:

Lina is the girl in the pictures. She's a 24 year old Chinese girl who speaks relatively good English. She has a super slim figure and her body is all natural. A very sweet and kind young lady. Wore the outfit I requested and was very welcoming.

The Story:

After I was washed and ready, she guided me back to the bedroom and stripped off her little silky maid outfit. She has a natural bush down there, which was unusual to see considering that all my punts seem to be with shaven girls. Didn't bother me though, it seemed natural.

Started with some really slow build up. Lots of stroking and kissing. She's a great kisser. Then she moved her attention to gentle strokes on my cock. Real tantric style. It was marvellous. Switch to blowing me nice and slow, putting cold water in her mouth and gargling my dick in her mouth, flicking her tongue around it. I thought I was going to shoot it right there, but Lina seemed to know and she switched to wanting a fuck.

She got on top to begin with, and was very careful lowering herself on my cock. This girl is so tight it feels amazing! She was really into it and after a while started to dictate where she wanted me etc. We ended up in missionary with my arms wrapped tightly around her, banging her pretty hard. Her moans and wetness only confirmed that she climaxed and shuddered, around the time I also exploded inside her. This was a great experience with an independent. Not usually my style, but fancied a change, and love Asian girls.
