### The Premises:

Lovely little parlour in Loughborough. Easy parking to be found all over Loughborough and in a quiet-ish area. Reception is manned by some lovely ladies and the waiting area is clean and discrete - with a glass partition to prevent punter to punter contact. Rooms are clean and now have large beds!

Showers are available, but I have never used.

### The Lady:

Wynter is absolutely drop dead gorgeous. She is way way better than her pictures portray. A lovely toned lady, with beautiful skin (mixed white ethnicity), who is short an petit (about 5ft 2 at a guess). She has a lovely Toned figure and the prettiest of faces.

### The Story:

Once I arrived at the parkour, I was quickly whisked up to the room and given a video to 'warm up'. Wynter popped her head in and told me she wouldn't be long. On entry she was dressed in a sexy black number. I did get a few questions on ethnicity (don't blame her in the slightest) but quickly moved on to a full body massage with some lovely relaxing conversation. Wynter has a lovely manner and I really enjoyed chatting to her. We quickly moved on to business; standard GFE with FK. The interaction was..... glorious. Well worth every penny - I'm considering a 2 hour with her next time
