The Premises:

Block of appartments in digbeth,easy to get to by public transport and way to park on side roads. This part of town is quite safe. Apartment itself is cold bit dark and dingy,small bedroom. Located on first floor but lot of noise from street as they are doing some redevelopment. Bathroom ok, shower not offered.

The Lady:

Is the lady in pictures,age wise I would say 40. Very beautiful lady 5ft tall fake boobs,but I would doubt that this lady is even a size 6, very very skinny,no bum what so ever. Very quiet lady.

The Story:

This was a spur of the moment punt. Arrived at appartments , buzzed in,usual behind the door trick. Led to room exchanged funds and stripped off. She returns to room and I lay on bed, room is very cold sand she starts to give me a handjob,not much effort so I get her to lie down so I can give her oral, but she even tried to restrict access on this! next she puts condom on my limp dick and proceeds to give me a half hearted blowjob,she then mounts me and puts no effort in what so ever, thought I will never come like this so start pumping away myself,then flip her over into Mish and pump away till I fill the bag,quick clean up and out the door. She clearly does not enjoy her job and made no effort at all. Would not revisit.
