The Story:

i went to the bedroom took clothes off and waited for Madison on the bed, did not wait long before Madison joined me on the bed.

As Madison lay back on the bed, her body somehow appeared curvier from my new vantage above her. She lubed up her pussy, and I popped inside ... a tight little twat ... really gripping my thrusting cock, as I pumped hard and fast. The bed rocked and knocked against the wall, making comedy noises, I kneeled up and lifted her legs on my shoulders, and jack-hammered her snug slapping up against her ass. Letting her legs down, and slowing my pace, I asked to suck her tits ... Madison only allowed licking, but no sucking. I behaved. As my face neared hers, still gently thrusting inside her, I asked to kiss ... Madison stared, as if to decline, but surprised me by accepting with "No tongues". I behaved again, enjoying lip kissing, as I geared up to hard and fast pump action. Just as I was about to ask to change to doggy, Madison darted out her tongue to lick my mouth. She grinned at my surprise ... and I then found myself diving into her open mouth and into LFK. With this apparent bonus, I no longer fancied changing position, and carried on in semi-GFE mish action ... and soon enough let go in the bag, whilst still in LFK. Lovely Madison indeed!
