The Story:

Arrived during what must have been the maids break as I was let in by a totally naked girl who asked who I was visiting. I said Riley and she said and that was her, directed me to the room and promised to be along shortly, what a bonus.

When she arrived Riley had dressed up, in bra and panties however it was not long before we were both naked and enjoying exploring each others bodies.

As well as enjoying each other sexually we also hit it off and enjoyed many laughs together. From our chat I can only imagine how good Scarlett must be as Riley described her as HOT and I can only describe Riley as SCORCHING. Was it my lucky day that Riley was available at the time that I wanted when HoD had so many well recommended ladies available. Well worth another visit maybe I'll even try to arrange her suggested duo with Scarlett
