The Story:

Well, what can I say, proper GFE, lots of kissing, lots of touching and as we were touching her hand ran down to my boxers, got a feel of me, and had to go and check that she had condoms big enough, unrushed amazing oral.

On with the hood and onto cowgirl, good view of her breasts and face as I was inside of her, then she jumped off and we changed to missionary.

obviously the tightness and enjoyment meant I bust my load in the condom.

She was trying her hardest to get me to go a second time but I knew that it wouldn't happen, Even managed to get a cheeky Blowjob on the stairs as I was leaving with her telling me she wanted to fuck more!

Overall an amazing experience, and I know I'll be booking for longer next time so that she can get her second go.
