Angel - tall, long black hair, very pretty, great smile, slim with gorgeous peachy bum, dressed in stockings

### The Story:

I've been with Angel and Jules a few times but seeing Angel was working in London without Jules I wanted a bisexual partner to join us. Mixy's reviews looked filthy and when I found out that she licks pussy I booked the two of them.

We began standing up with lots of kissing, including threeway plus me telling the girls to kiss each other and me touching their pussies as we all kissed.

Moving to the bed, the two girls began sucking my cock, with one coming up to kiss me from time to time. I had to stop them at one point as they were close to making me cum so I asked Angel to sit on my face. Angel asked for 69 instead so that she could continue dual sucking with Mixy.

Angel has the most sexy bum and perfect pussy and she began moaning and occasionally pulling away as she got close to cumming. As she pulled away I could see the two girls licking and sucking my cock together.

I then got the girls to 69 each other, with Angel on top, sticking her sexy bum up for me to fuck doggy-style whilst Mixy licked her pussy. Angel's moaning got louder as I pounded her from behind and as I instructed Mixy "Lick her clit, make Angel cum Mixy, make her cum on my cock". We were all building up a sweat now. I pulled Angel's hips towards me so that she felt my cock deeper and as she pushed away I could see Mixy's mouth clamped onto Angel's pussy. Gorgeous filth.

Angel was very vocal now and so was I as I came in the bag. Coming from behind is great in sport but this cumming from behind has to be even better.

Both girls told me they had never done this position before but that they liked it. Mixy told me it turned her on to see my nuts tighten as I shot my load in Angel's pussy (in the bag).

What a beautiful Saturday afternoon x
