### The Premises:

easy to find, parking at the nearby Co-op or across the road in the municipal parking. Nice reception, friendly staff, room adequate with shower facilities.

### The Lady:

young beautiful oriental woman. Perky titties, smooth pussy, great ass. all round beauty.

### The Story:

i booked for a 1 hr massage, around 20 minutes in of a good heavy massage, her body was pressed against my hands by my head so I reached around her legs and massaged them. At that time she asked if I wanted body to body, which I agreed to for an extra £50, on top of the £50 massage. she stripped off and we swapped places, she lay on her back while i played and sucked her nipple and ate her pussy, very tasty too. No fingers allowed inside her, but rubbed my fingers up and down over her clit which made her very wet and squirmy. we changed position again and she proceeded to nibble my nipples, and massaged my balls, then moved down and oiled my cock and slowly wanked me while playing with my balls and ass. needless to say her expert hands had me cumming, so much that it filled her cupped hands. She then oiled up again and massaged my thighs and calves, before drying me off. I showered, paid her and left a very happy man. I will be back.
