### The Premises:

Incall in a clean semi discrete street 10 mins walk south of the main downtown area of Lincoln. Lots of traffic and pedestrians around but was easy to duck in quickly with minimum concern.

### The Lady:

Extremely bubbly, chatty and pleasant lady with long blonde hair, a few tats, probably late 20s. Super easy to talk to, very real.

### The Story:

Went along without a booking (they typically do first come first served) and was lucky to get right in to see Georgia. It's been over 20 years since I saw an escort so was pretty nervous but her easy going fun nature relaxed me right away. She asked me to strip and got me on the bed and massaged with a little oil which was pleasant but functional. I felt myself starting to get hard and she asked me to turn over and started wanking then moved to a very nice BJ without. She really is good...maybe a little too good and I asked her to slow down.

Next I got her to lie back and got my head between her legs for some enjoyable oral on a clean, nice smelling PIERCED pussy! She seemed to enjoy it but hard to tell I guess :) I alternated between licking and going up to kiss and play with her beautiful large natural breasts.

Condom on (at her suggestion) and a deep fuck in missionary followed by doggy. I was close to cumming and held back a little too long so had to wank off with her tits hanging over my cock til I finished. A bit of a shame as she offered CIM.

Afterwards felt a little rushed, dressed quickly and out the back door but I guess we were closing in on the half hour.

The parlour only has one girl per day so be sure to check the schedules.

All in all a good experience and I would definitely repeat.
