Ego's has been reviewed many times , So I wont go through it again.

The Lady:

Meena's stats on the website are correct. But her pictures do not give her justice. She is way better in real life. Meena is of Indian origin, which I wish they stated on the website as its so rare to find an Indian lady doing this and I would've jumped at the chance sooner had I known. Meena has an all natural face no pouty lip fillers , botox etc, and shes very very pretty. Big brown eyes, Long jet black hair, (although she tied this up at the start of the massage). She's tall and slim. Nice, toned perky bum, and handful of natural boobs.

The Story:

So I rang up on Thursday actually looking to book a different girl, but only Meena was available at the time I wanted so I decided to go for it. I wasn't keen on her pictures , but I was so pleasantly surprised when she greeted me after my shower. Usually the girls have these awful lip fillers and botox etc , but Meena had none of this and is a natural beauty. I started getting excited as she peeled her clothes off with a smile, to show her incredibly toned body underneath! Her massage was very good, sensual with lots off cc swipes. She climbed on top and proceeded to do body to body, which was incredible. Not just rubbing her tits over me , she used her whole body. When she turned me over, she also did body to body on my front, I asked to kiss her and she politely said no. She ended with a lovely hand job.
