The Story:

What a lovely lady. She was engaging from the start and super relaxing. I was completely underwhelming for her but sometimes, you need to just share a moment with someone who makes you feel wonderful and has empathy. Cleo had those qualities and made my embarrassing premature performance nothing to be concerned about apart from "you need more sex" which was, to be fair, something I could have paid a psychologist a lot more money over a few sessions to conclude less succinctly and with less honesty. So thanks Cleo. Hope you stocked up on wine in the extra time you has after my visit. And thanks for being so understanding - and, to be honest, so incredibly good ! But perhaps settle on 1 or 2 scents rather than the 5 in the room. You've an obsession !!
