The Premises:

Spotlessly clean establishment in Fenny Stratford, close to Milton Keynes. Free parking very close by.

The Lady:

Zoe is absolutely drop dead gorgeous. Tall, leggy, enhanced boobs with pierced nipples (something we had in common .. the pierced nipples that is!). She really is a stunning looking lady.

The Story:

I have been punting for many years and this is only the second review I have ever written .. such was the impact Zoe made on me! My jaw nearly dropped to the floor when Zoe walked in the room. She is just stunning - see description above. She was my dream woman except this was no dream this was reality.

Zoe greeted me with a deep french kiss and from that moment the meeting just flowed. The most fantastic deep throat I have ever experienced, stroking of my balls, reverse oral on Zoe, brilliant sex, kissing throughout and a relaxing massage with good conversation between sessions as I regained my strength for rounds two and three! Sexual encounters really do not get any better than this.

To sum up, Zoe is a really lovely person and one of the best in the business. I would have absolutely no hesitation in recommending her and look forward to my next booking with her very soon.
