### The Premises:

A nice parlor with a simple entrance in a parade of shops. Always a friendly welcome, clean and well appointed rooms. Free street parking all around

### The Lady:

Petite Indian Lady, face is blurred on the photos and of course they are professional shots too. That said she is pretty with a bust that I guess is enhanced but done in a lovely way that keeps you guessing! Fit body and of course lovely olive skin and dark hair

### The Story:

Amira was late having lost her purse on the train! She came in the room wearing a tight little black dress, I went to give her a kiss (bearing in mind that her profile lists kissing and GFE!) and was offered her cheek which was disappointing, don't really get this as sex is ok but kissing isn't! She stripped off to reveal a lovely body and boobs. I lay on the bed for a massage which was ok then I turned over and put my hand between her legs but was told no fingers (hadn't really got to that point yet!). I sucked on her lovely nipples which she seemed to enjoy then on went the condom for some great oral, I suggested 69 but she wanted to lay on the bed so I got my head between her legs and my hands on her lovely firm cheeks. I made her cum then we were ready for me main event although at this point we had to change the condom (still not sure why?). She was a real screamer, too loud to be fake I hope! After I came we stayed in position for some time and everything was relaxed and lovely.

Is it ever good to book a girl with no reviews? In this case no regrets. If you want a GFE/passionate encounter then Amira is not for you, however if you don't mind a slightly cold start with a hot ending with a fit young woman then I recommend
