Well reported premises on the Nantwich Road. Internally it's clean and well presented. Advertises car park and rear entrance, but this was busy and there were a number of people hanging around same.

The Lady:

Petite blonde, mid 30s. Website pictures are good.

The Story:

I wasn't sure, but having looked at her profile on the Brooklyns website that I thought I'd meet Carly before working at a well known Sheffield parlour under a different name and this turned out to be the case, once Carly entered the room.

Carly starts off with giving me a very short back massage, before getting me to turn over and asks if I want go with the extra of oral without to which I agree. As Carly works on my cock I suggest we move to a 69 so that I can taste her pussy, which is nice and sweet.

On to sex starting with doggy and then on to mish, then switching to Carly riding cowgirl.

We end my favourite way with me wanking off as Carly presses her pussy into my face.

Carly's enthusiasm and appetite for sex shines through and it's obvious she enjoys what she does. Definitely recommended.
