### The Premises:

Well-known and oft-described. Close to Birmingham centre, specifically Snow Hill Station and the Jewellery Quarter. Some have said that the area's a bit of a dump, but it is perfectly safe amongst the small warehouses, wholesalers and other commercial premises. In fact, it's only a hundred yards from the offices of the Combined West Midlands Authority. I travelled by train, and anyone going by car would need to take account of the charges for driving in inner-Brum. There is, however, good public parking close at hand. Boss Shannon has always been pretty security-conscious; and there are four comfortable rooms (two up, two down).

I had 'phoned the friendly and ever-helpful Penny the day before, and she had informed me that, as I expected, Bella would be working; also, that Tiffany would be on-shift, along with Anna. I booked Bella, and said that I'd chew over whether to opt for a two-girl, as I had the last time that I visited, when Bella had been joined by a most welcome face from the recent past, Kandhi.

### The Lady:

I have seen quite a lot of Bella during the last few months, since she migrated from Lush. She is tall-ish, with a firm, slim, body and big artificial boobs. When I first knew her, she was charmingly innocent, never having done a 2G before, for instance, and never having worn stockings and a suspender-belt. Bella has always given me a fabulous service. And here's a sweet thing: she always remembers what I've said to her during previous sessions.

I was in a state of embarrassment with regard to Tiffany, since, apparently, she knew me from the now-defunct Blue Ice around the corner, many years ago, but I couldn't remember that. She didn't seem to mind that too much, and pointed out that, in those days, she was much slimmer, with fairly small boobs. As well as being very tall, especially in high heels, she now has gorgeous large, natural, titties, and, of course, very long legs. Having had a brief chat, and an introductory DFK, with Tiffany, I was reassured that she would give me a good time, so went ahead and added her to the team.

### The Story:

They both entered the room, Tiffany without knickers (!), and, at first, were a bit giggley with each other (it might have been their first time together). However, a bit of snogging, with each in turn,

quietened them down, and they were quickly stripped, and I found myself having great standing-up DFK with Tiffany while Bella knelt and gave me superb DFK. Then they swapped round. I then sat on the bed while they stood alongside and received some deep-fingering. I had brought some lube, so they were both very juicy (and Bella is particularly tight).

I had decided that, given my "previous" with Tiffany, I would fuck her first, so I told her to lie on the bed while Bella fetched a rubber and rolled it onto me. I pushed my cock inside Tiffany, and happily fucked her for a couple of minutes. Then, off with the rubber, and I lay down with one of these women working on my cock and the other giving me DFK, while being deep-fingered. They changed over, to my instruction, three or four times; and I must say that Tiffany does do the most amazing long DFK (proper GFE). Eventually, and at a point when Tiffany was working "upstairs" and Bella was doing a great job "downstairs", I came, nearly (but not quite) in Bella's mouth. She'd been sucking and licking me beautifully, while gently playing with my balls.

Cleaned up, I had a good four-handed light massage, and a friendly chat, before making my way back to Snow Hill Station, having been drained.

I can but thoroughly recommend Bella and Tiffany; also Penny, and the Studio in general.
