The Premises:

Lovely large room on 3rd floor nr Marlebone station. No lift. Decor in communal parts a not brilliant. Other working girls living in flat. Noise when there from kitchen and other parts of flat. Access to bathroom but not ensuite. Room itself very clean and nice. Street meter parking.

The Lady:

Brando did not match her profile pictures. Had put on weight and aged. Looked about 30years old.

The Story:

I enjoyed Brandi's company. I liked that she was a non drinker and non smoker. I liked her warm touch and she was hugable and there were no rejections to kissing and hugs and cuddles. Although aroused at times i did not feel much of a sexual compatibility with Brandi. Her english and conversational ability was very good and i enjoyed our conversations. Her room was bigish with nice decor and good energy and feeling. Flat on third floor nr Marlebone station. She was a caring sensitive lady. After seeing her still not 100% certain she was the same Person in profile pictures. Although i enjoyed the hour company i probably wouldnt return again unless i needed a non sexual caring physical touch hug loving hour connection. Thank you Brandi i did enjoy the hour connection
