The Lady:

Website pictures are accurate: Mid-20s, size 12 I guess.

Curvy in the right places.

The Story:

Kris had only recently started and MKE website said she wasn't quite up to speed.

She is a friend of Bunny at Annabella's, who is an absolute rocket,

I was hoping for another girl like Bunny, but not quite - something more.

Kris came in the room and was a little distant,

perhaps her English wasn't too good. That distance didn't last long.

Before too long, she beckoned me on to the

Bed and we started making out like teenagers. I started to go down on her, mentioned how Bunny loves having her pussy licked.

Couldn't have been more than 1 minute and she asked if

I would come up. We snogged some more.

Pretty soon it was mish, doggy, cowgirl.

She kept on grinding on me and snogging after I came.

Amazing. Worthy of a huge tip.

Will be back.
