The Premises:

This was a temporary address but was calm, clean, and perfectly appointed.

The Lady:

Christine isn't just beautiful: saying that would be akin to claiming that Michaelangelo was a bit useful with a brush. Her face could corrupt an angel, her eyes are deep, sensuous and dreamy. Her hair is soft, shiny and alluringly feminine. The pictures and description as per her website are a fair reflection but no-one, but no-one could prepare a mere mortal with a face and smile like Christine's. I would have placed her, for those who are interested, at about 38 but a mere number is of no relevance here.

The Story:

We met at a tea room near her rooms. Very posh, very girly, very nice. We returned to her rooms to discuss the very tender, gentle role play that I had asked for and Christine delivered wonderfully. Every thing I could have asked for was there, and handled thoughtfully, kindly and well. I am in my 60s and was bowled over by her innate ability to proactively provide JUST the look, the kiss, the touch that I needed at every stage.

To say that Christine deserves the highest recommendation is a given. She is a true, rare gem of the finest Caledonian purity and clarity. 11.5/10.
