Amount Paid: 260

Recommended: Neutral

Details of Service Provider:

Profile Name: MKE Finest

Website: <http://www.miltonkeynesescorts.com>

Phone: 01908696559

The Premises:

The house up the stairs, on street parking available a short walk away. Got a double bedroom with bathroom is up the hallway.

The Lady:

Angel is an attractive leggy brunette in her mid 20s.

Jules is a cute petite brunette who's 18 years old.

The Story:

Hadn't done a threesome for a while and saw enticing photos of these 2 ladies together on MKE's Twitter plus some positive reviews, so decided to take a punt on them even though I'd not seen either individually before.

I always feel rather conspicuous going up and down the stairs to this property but thankfully the maid answered doorbell promptly and showed me up to my room.

Angel and Jules entered a few minutes later, after putting away their cash Angel asked me how I wanted to start and I requested a double blowjob which she then relayed to Jules in Romanian. They lead me to the bed and whilst one licked my balls the other sucked my cock, rather tentative techniques but pleasant enough for a GFE.

As I approached climax I asked whether they'd be okay to snowball my spunk but Angel informed me they don't do that, Jules did oblige with CIM so I still had a happy ending.

After a quick clean up I gratefully accepted their offer of a 4 handed massage and had a natter with Angel whilst they gave me a thorough head to toe treatment. Jules didn't speak much with me which I wasn't sure was due to shyness or a lack of confidence in her English.

I asked whether they'd play with each other but Angel said they don't really like lezzing it up, so she slipped a condom on my todger and hopped on for some cowgirl sex whilst Jules lay beside me and kissed me on the lips. They then swapped positions before Angel suggested doggy position, Jules got on all fours beside her and I rubbed her peachy butt and pussy.

A nice relaxing GFE with 2 nubile rookies who I might revisit separately in the future, or perhaps paired up with more experienced colleagues who can teach them a few tricks of the trade.
