### The Premises:

Usual address behind the shops, town house style, nice room on ground floor, comfortable, clean

### The Lady:

Exactly as her pics, really gorgeous girl really easy going and nice to have a chat with before and after, looked amazing in black underwear and heels

### The Story:

Really very good, not a regular punter and only just found this site so first review. Brief chat about services first (as listed on site) into some very friendly DFK. I got onto the bed for some excellent oral deep throat as well before some RO which seemed well recieved and some excellent 69. Sex in missionary and onto Doggy. Luiza asked if I would like her to point toward the mirror which was a fantastic idea as I could see her face and just was a cracking view in general! Couldn't last any longer so sat on the end of the bed with her on her knees on the floor, more DT til a very satisfying CIM. Easy clean up and then lay on the bed for 5-10 minutes just having a nice chat. Can't really say any more than that. Lovely girl, excellent services and will definitely visit again
