The Premises:

Basement flat near Victoria. HOD have been there quite a while now and it's always proved comfortable and discrete.

The Lady:

Viva is a smiley, very pretty, slim and tallish lady with a beautiful, shapely body (gorgeous, suckable boobs). HOD website says she is 39 but that must be wrong, she surely cannot be more than 29.

The Story:

Viva walked in looking relaxed and elegant and we kissed lightly which rather quickly turned into a nice orgy of lips and tongues. Off with the clothing and a first delicious owo before I got Viva to move to the end of the bed and went down on her for a while. I loved licking from inside her pussy to up and over her clit and she seemed to enjoy it judging by the noises she was making and the increasing wetness. Indeed the whole encounter was very much one of mutual enjoyment more of which later. Anyhow we switched to fucking, Viva riding me first then me on top both accompanied by dfk and nipple sucking before a bit of 69. After lots of that fun I got Viva to blow me until I had a very intense cim. Viva left the room smiling to get rid of the load then came back for some lovely kissing, cuddling and a chat. As has so often been the case recently at HOD the encounter felt like an afternoon with a passionate lover. Viva told me that she does it because she loves sex and this way, rather than end up with some dodgy geezer from a night club, she can have sex in a safe environment and get paid for it. Anti sex work puritans take note! We also talked about girls we both remembered from past days at HOD, how sweet the current girls are and how the whole HOD experience is just a nice one contrary to the seedy image sex work can have in some contexts. I noticed that Viva has no reviews on the HOD site. She says she certainly has been positively reviewed on Punternet (no surprise there) but they don't get linked to her HOD profile. This girl deserves better. She is a star. The only problem these days is that there are so many lovely women at HOD who I would happily make return bookings with aswell as lovely new girls to encounter that it gets hard to decide who to book when I'm in London. What a delicious dilemma to be so spoilt for choice. Case in point, I saw sexy Apple on the way out and had a greeting and a quick kiss and felt guilty that I'd not booked her. She obviously sensed that and said no problem. Anyway, can't wait

for my next HOD adventure.
