### The Premises:

The venue was a neat and tidy apartment in Fenny Stratton which was discreet to enter.

### The Lady:

Angel is Romanian, 24y, 5' 8", size 6, 32A, long dark hair, completely shaved. She is pretty and has long, very slim legs, a flat, pert bum and a couple of unobtrusive tattoos. Her breasts are small, with pert, well-defined nipples. The French call breasts like these 'ouefs sur la plat' or 'fried eggs'. Angel's breasts were delicious indeed.

Angel wore a short, pretty, black baby doll style garment which was sheer above the waist and had diamante shoulder straps, plus matching black brazilian-style knickers with diamante side straps and black hold-up stockings.

Jules is 19y, 5' 1", size 6, 32B, long dark hair completely shaved. She is very pretty with full lips. She has a distinct resemblance to Angelina Jolie. Jules disagreed but her partner agreed with me. Jules has a lovely round bum. She has a tattoo on her upper back, largely hidden by her hair, and a few other unobtrusive tattoos.

Jules wore a light coral cotton one-piece with nothing underneath. Her legs were bare.

### The Story:

This was a two-hour FFM session with Angel and Jules. They contrasted pleasingly in height, Angel being tall and Jules petite. They clearly get on well personally and they readily kissed and touched each other as intimately as they did me. In the remainder of my review, I will concentrate on Angel's role in the session.

To begin, they undressed me and gave me a relaxing four hands back rub. After they turned me over, I inspected them while they worked on my front. Angel removed her top and gave me her breasts to suckle while Jules felt my balls. Angel then teased me with a view of her already practically bare bum before demurely removing her knickers and spreading her legs to show me everything.

It is impracticable to give full details of a two-hour FFM session but other highlights included the

following: fellatio lying down and in front of the mirror; gentle spanking for me and them and each other; they both masturbated; conventional 69, side by side 69 with one of their legs raised; one sat on my face while the other felt my balls and sucked my testicles. Angel and Jules frequently swapped roles.

As well as lovely legs, Angel has lovely feet; which she gave me to feel, kiss and lick through her stockings. Her pert, flat bum is also very appealing.

The final position used was one woman astride me in the cowgirl position with the other sitting on my face, leaning facing the wall so I could see her face and breasts while I licked her pussy. They switched roles halfway through. Angel rode me cowgirl first and I came in Jules.

To summarise: Angel is a pretty, slim, leggy, obliging escort, with a friendly, unforced manner. She gives a skilful show and service, individually or with her friend Jules in an FFM.
