The Story:

I hadn't been to Manchester GFE in a while and so when I looked online to see who was available I decided to book Courtney as the first of three women I would see that day. Her photos were indeed very accurate showing her great beauty and the many reviews, all positive, were enough for me to make my first choice. I arrived on time, made payment and Courtney was waiting and showed me into the room. She was instantly very polite and welcoming before leaving me to have a quick shower. Upon her return she offered a massage, which was accepted, and asked me to lie down. Her massage technique was gentle and relaxing. Courtney politely asked if I liked to kiss, I said it was and we quickly locked lips with one another. Courtney's lips are big and soft perfect to caress with my own, but when it comes to giving oral they are perfect. OWO was given and my word does this woman know what she is doing, she has a great technique indeed. When it came to sex we decided to try it in several positions, reverse cowgirl to start off and then regular cowgirl. Let me tell you it was incredible watching this beautiful busty angel bouncing up and down upon me, I asked her to lean forward so that I could plant kisses all over her breasts and she obliged. I get the feeling that she likes her nipples licked and played with as she let out soft coos of pleasure when they were touched. Just be gentle with them, chaps. Next we went on to missionary, my favourite position as it allows me to gaze upon the magnificent beauty in all her splendour. I gave Courtney a pillow to rest her head upon and positioned her near the end of the bed, giving gentle thrusts which she really enjoyed as she rested her legs upon my shoulders. She has such soft warm skin it was lovely to caress as I pounded her. Kissing her legs and suckling on her toes all were rewarded with smiles and moans of pleasure. Once I had cum we cuddled together on the bed, her legs and arms wrapped around me. An added bonus was having a great chat, Courtney is a great conversationalist for she is very worldly wise and has had an interesting life travelling to distant places and having a modelling career at one point. When time was sadly up we hugged and kissed each other goodbye but Courtney said she'd like to see me again so I very much look forward to it in time. Thank you Courtney for a wonderful time. Treat this lovely lady right gents and you will

experience great bliss.
