The Story:

Mercedes was my third and final girl for the day and boy did I choose right. Upon meeting Mercedes for the first time I was bowled over by how welcoming and friendly she was, as well as being very sexy of course. We hugged and kissed softly before she asked if I'd like a massage and my word doe this lovely lady give a great massage. In my line of work it was just what the doctor ordered, she knew exactly where to press and the correct amount of pressure it was perfect. Whilst doing this we exchanged the usual pleasantries but it was lovely chatting with her, Mercedes has a cute voice which was sweet to listen to and she is definitely no fool she is a very good conversationalist. Offering oral pleasure OWO i instantly accepted, Mercedes has a great technique an on occasion she looked up and into my eyes whilst her lips never left my shaft. At her instigation she pressed my cock between her beautiful breasts and began to slowly massage me, whilst it didnt last last it was definitely pleasurable and its something i'd love to experience with Mercedes again. With a sensual smile across her sweet face she asked where i wanted her, cowgirl and reverse cowgirl followed both incredible and i very much enjoyed hearing her moan and watching her breasts bounce up and down with each movement she made. We next tried doggy style and then missionary all of which were superb as I only paused to kiss her multiple times and wrap my lips around her nipples, it was great that Mercedes also enjoys some gentle tantalising nipple play. After I climaxed for the first time with her i offered Mercedes a massage to which she was surprised to be offered such a gesture but said she would love it. I asked her to relax and began to caress her beautiful body with my hands, she closed her eyes and cooed softly at my touch saying how much she enjoys being touched in this way. I planted soft butterfly kisses across her back tailing down to her sweet bottom and thighs. I was still feeling super horny and we had a little time left so Mercedes asked if i wanted to go for round two, well I could never deny a fair lady such a request. On with a second condom and we went at it again, still as passionate as ever. Sadly our time was soon up, an hour truly wasnt enough with this incredibly beauty. Mercedes is one of a kind, friendly and super passionate. Treat her well and she'll bring you to the height of ecstasy.
