The Premises:

Easy to find parlour on an industrial estate a 10 minute walk from Northampton rail station. Well organised with a receptionist and price menu. All clean and tidy. There are several rooms available. Mine had a jacuzzi and a good shower. Whilst the room was reasonably large, it had no window so it did get rather hot. The large double bed in this room also squeaked alot although for me this added to the enjoyment.

The Lady:

Maria's description and photos on the Soft Touch Bodyworks site are accurate. She is a cheerful, fun and attractive English blonde in her late 20s, around 5'5" tall with a great pair of DD breasts and is a curvy size 16. She has an attractive face which is not shown in her photos on the Soft Touch Bodyworks site. The site also says she is a smoker although I didn't notice any smell of tobacco on her.

The Story:

I was in Northampton and had an hour to kill before catching my train home. This parlour was a short distance from the railway station so I walked there and speculatively rang the door bell to see if any of the girls were free. After being buzzed in, the receptionist told me that Maria was the only girl free so it was an easy choice.

After paying the £20 house charge to the receptionist, I was shown to my room and completed the paperwork with Maria for the advertised "all-in" service for a further £40. Maria left with the money while I showered and she returned just as I'd finished drying myself.

Maria was happy for me to undress her and play with her clit and breasts. There was lots of kissing (light French kissing) and caressing. She gave an excellent sloppy BBBJ before rubbering me up and riding me cowgirl. We then switched to doggy before I finished in missionary. There was plenty of eye contact throughout and we both clicked and both had a great time. There was no clock watching. After I'd come, I had another shower as we were both sweating from a great shag as well as from the room having no window.

Maria is highly recommended and I will certainly visit again when I'm next in Northampton.
